Dear Bonnie:—

Thanks loads for your fathers day gift, it was also nice hearing from you, I thought I better get a note off to you soon since you mentioned you might be leaving Jacksonville soon.

We had Win & his family, John, Bob, & Kathy and her family & of course we spoke to Eileen & her family so it was quite a day for the old man. It was the first time Bob & Win had seen each other in over 5 years. Win wanted Mom & myself to come to Fort Monroe but I sent him the money to fly home & then all of us could be together. He is heading for Okinawa the end of this month for a 3 year hitch. You should see their baby, he weighs 30 lbs. & Mary is a very good mother.

You probably have heard from Kathy by now, but in case you haven't the baby is Thomas Earl.

We are going up to Eileens today for the christening of her Eileen. We had to wait

for one of the Martins to get out of school
& then Eddie is so busy on Sundays at the
parks they decided to have it on Thursday.

Last Sat night we went to Maplewood N.J.
to a show for Joe Murphy of Pops, Jelly Belly do
you remember him, he is being married in
Wash D.C. in Aug so I guess we will be invited
down there. We will manage to see Uncle Pat
while there. It is to be the week end after we
leave Saratoga or I should say it is to be the
Eens after we leave up there so some says why
not leave Saratoga & go right to Wash & spend
a couple days with Uncle Pat.

Am I am on hall duty the day before
school is out. & every thing is in a mess, so
if this note makes no sense you understand
why.

I'll bet Chris is coming along great, isn't it
wonderful how they grow, Kathy's Ann is
a real charmer, cute as a button & Eileen, Brian
a real holler. I think Mike might be Eileen's
Athlete, I had him butting the other day & he looked
pretty good. He learned to stand on his head in one

day, the others havent mastered it yet.

Well Bernice, let us know if you change
your residence & thanks again for remembering
me on fathers day.

Out to Tom & Chris

Love
Dad
